I WANT TO BE YOUR FRIEND

I want to be your friend,
Like Jesus is to me,
A friend who's always there
To keep you company
I want to be your friend,
Like Jesus is to me,
And with God's help
You can surely count on me.

When I'm down
He picks me up
And when the job's too hard
He's my power plug
When I was lost in sin
He took me in
Oh yes, I want to be
A friend like Him.
