

# I'M GONNA' PRAY

Music & Lyrics ©Wannetta Godfrey 2000

I'm gonna' pray, oh I'm gonna' pray,  
I want to choose the truth and to obey  
I want to please God, whatever I say  
So whatever I do,... FIRST,... I'll stop and I'll pray.

I'm gonna' pray, oh I'm gonna' pray,  
Whenever I'm sad or when I am happy,  
I want the Spirit to guide me today,  
So whatever I do,... FIRST,... I'll stop and I'll pray.

I will close my eyes to worship  
I will thank my God in heaven  
For He answers every prayer

I'm gonna' pray, oh I'm gonna' pray,  
Thanking Him, Praising Him every day  
I'll glorify God in my life every day  
When whatever I do,.. FIRST,... I'll stop and I'll pray  
I'll stop and pray  
I'll stop and pray  
I'll stop and pray
